

IT & Technical Services - Price list (VAT-exempt)

All prices represent the total cost of the provided service, including travel expenses (to and from the client's location) and any necessary consumables. In accordance with Article 39 of the Greek VAT Code (Κώδικας ΦΠΑ), our business is exempt from VAT obligations. Therefore, no VAT is applied or shown on invoices. Any additional costs for hardware replacement or licensed software purchases are borne by the customer.
